

Publications

- **J.M. Koene (2007)** Animal behaviour, an integrative discipline. *Anim. Biol.* **57**: 117-120. [PDF file](#)
- **J.M. Koene, K. Montagne-Wajer and A. ter Maat (2007)** Aspects of body size and mate choice in the simultaneously hermaphroditic pond snail *Lymnaea stagnalis*. *Anim. Biol.* **57**: 247-259. [PDF file](#)
- **J.M. Koene and A. ter Maat (2007)** Coolidge effect in pond snails: male motivation in a simultaneous hermaphrodite. *BMC Evol. Biol.* **7**: 212. [PDF file](#)
- **B. Reyes-Tur and J.M. Koene (2007)** Use of the dart apparatus by the hermaphroditic land snail *Polymita muscarum* (Lea, 1834). *Anim. Biol.* **57**: 261-266. [PDF file](#)
- **A. Ter Maat, C. Zonneveld, J.A.G.M. de Visser, R.F. Jansen, K. Montagne-Wajer and J.M. Koene (2007)** Food intake, growth, and reproduction as affected by day length and food availability in the pond snail *Lymnaea stagnalis*. *Amer. Malac. Bull.* **23**: 113-120. [PDF file](#)
- **J.M. Koene (2006)** Slakken schieten met scherp. *Natura* **3**: 73-75. (in Dutch) [PDF file](#)
- **J.M. Koene (2006)** Tales of two snails: Sexual selection and sexual conflict in *Lymnaea stagnalis* and *Helix aspersa*. *Integr. Comp. Biol.* **46**: 419-429. [PDF file](#)
- **J.M. Koene and S. Chiba (2006)** Natural history miscellany. The way of the Samurai Snail. *Am. Nat.* **168**(4): 553-555. [PDF file](#)
- **J.M. Koene, K. Montagne-Wajer, A. Ter Maat (2006)** Effects of frequent mating on sex allocation in the simultaneously hermaphroditic great pond snail (*Lymnaea stagnalis*). *Behav. Ecol. Sociobiol.* **60**: 332-338. [PDF file](#)
- **N.K. Michiels and J.M. Koene (2006)** Sexual selection favors harmful mating in hermaphrodites more than in gonochorists. *Integr. Comp. Biol.* **46**: 473-480. [PDF file](#)
- **J.M. Koene (2005)** Book review: "Sexual Conflict" by Göran Arnqvist & Locke Rowe. *Anim. Behav.* **70**: 1439-1440. [PDF file](#)
- **J.M. Koene, T. Pförtner and N.K. Michiels (2005)** Piercing the partner's skin influences sperm uptake in the earthworm *Lumbricus terrestris*. *Behav. Ecol. Sociobiol.* **59**: 243-249. [PDF file](#)
- **J.M. Koene and H. Schulenburg (2005)** Shooting darts: co-evolution and counter-adaptation in hermaphroditic snails. *BMC Evol. Biol.* **5**: 25. [PDF file](#)
- **J.M. Koene (2005)** All hormones and sensory traps: a fundamental difference between hermaphrodites and gonochorists? *Invertebr. Reprod. Dev.* **48**: 101-107. [PDF file](#)
